Now talk to
your grown-ups
and tell them
what you have
learnt today!

What to do in an emergency?

1. Is it safe?
2. Shake and shout for help
3. Check for breathing
4. Call 999 & send for Defibrillator
5. Give 30 Chest compressions
6. Give 2 rescue breaths
7. Repeat until help arrives

Where is your nearest DEFIBRILLATOR located?
